

PRODUCT INFORMATION

VALVOLINE™ NON-DETERGENT SAE 30 ENGINE OIL

Valvoline Non-Detergent SAE 30 Engine Oil is a general purpose non-detergent engine oil. It is blended from premium base stocks with additives which provide wear and oxidation inhibition. **Valvoline Non-Detergent SAE 30 Engine Oil** is recommended for manual transmissions and gear boxes which do not require an extreme pressure gear lubricant. They are good lubricants for general purpose use and for some hydraulic systems. They can be used in selected older engines where the manufacturer recommends API SB or MM engine oils.

Valvoline Non-Detergent Oil SAE 30 does not meet the performance requirements of any modern engines.

The Valvoline Non-Detergent SAE 30 Engine Oil Advantage:

- Good general-purpose lubricant as well as a hydraulic fluid for use in some hydraulic systems.

Recommended Applications:	SAE 30
API SB	X
Air Compressors	X
Hydraulic Systems	X
Racine Vane Pumps	X
Denison HF-2	X
Vickers I-286S	X

Typical Properties:	SAE 30
KV100 (cSt)	11
KV40 (cSt)	107
Viscosity Index	95
Density (lbs/gal)	7.40
Pour Point (°C)	≤ -18
Zinc (ppm)	400
Phosphorous (ppm)	330

Do not use this oil in ammonia compressors; as a heat transfer fluid; systems with silver bearings; or at prolonged temperatures above 200 F.

Part Numbers:	SAE 30
Bulk	VV2650
Tote	838199
55 Gallon Drum	VV260
5 Gallon Plastic Pail	838198
1 Quart	822382
CA 6/946 ML	822477
